

Yomen Beat Tigers By Close Margin

Absnaider's Toe And Rettig's 70 Yard Scamper Spell Difference

Jimmy Rettig's final 70-yard touchdown scamper and the educated toe of George Absnaider kept the Cameron Yomen on front as they gave the shelled-up Rockdale Tigers a 13-12 shellacking Friday night on Tiger field.

It was a defensive battle for the two District 22-AA schools of Milam County with Leon Beale, 155, Cameron fullback, giving the fans a view of his art, as he kept punting the Cameron team out of high water. Beale punted 9 times for the Yomen for an average of 33.4 while Rockdale was forced to punt 7 times for an average of 28.8.

Although Rockdale was the King of the first half, Buddy Thompson, Yomen's junior halfback, stole some beautiful plays during the first two quarters and marked himself as a dangerous character.

ssed s,unawox on idax apspoyoy ing bottled up as big massive Tigers downed Michalka behind the line of scrimmage each time.

The outstanding Yoe lineman was Right End Fred Petmecky.

Rockdale took an early lead in the ball game as the Tigers easily went to Cameron goal post for their first touchdown. Rex McRae, big 177 Tiger fullback, who made the two touchdowns proved to be the sore side in Cameron's back Friday night.

The Tigers retained their leadership into the second half when they met a different bunch of Yoes.

The Yomen made their first touchdown deep in the third quarter on a double reverse play with Quarterback Joseph Michalka handing off to Buddy Thompson who in gave to Rettig who raced 40 yards for the six points. Absnaider's toe put the Yomen out front 7 to 6.

McRae again made the second Rockdale touchdown after scampering nineteen yards to paydirt. Edward Grubbs pass for extra

A & M Boys Give Program Sunday To Methodists

Ronald Hudson of Cameron, currently attending A & M College, presided at a program presented by five A & M members of the Wesley Foundation during the morning worship hour at the local Methodist Church.

Pastor Dr. Mark C. Magers stated that the boys made a complete report on the committees composed of Methodist students at the Wesley Center located across the street from the A & M Campus.

The boys added that their offering, which was only \$500 five years ago has risen to \$5,800 at the present time, proving a good indication of the growth of the foundation in College Station.

One of the projects of the boys is to assist with repair of churches and holding church service at near by churches.

Three Cases Of Trench Mouth In County

Strept throat, prevalent in the county for the past several weeks is on the wane, with only four cases reported and in its place is an outbreak of trenchmouth, with three cases reported by Dr. John B. Bryson, head of the Milam County Health Unit, for the week.

The only other two disease reported to the Health Unit by Doctors in the county were one case of Pertussis and two cases of Gonorrhea.

John Shelton Dies At Home Tuesday

John Shelton, 59, of Val Verde died at his home Tuesday at 5:30 a. m. of a heart attack.

Funeral services will be held at the Val Verde Baptist Church Wednesday, November 3, at 2 p. m. with burial to be in the Friendship Cemetery under the direction of Phillips and Luckey Funeral Home in Rockdale.

Survivors include his wife and one daughter, Martha Shelton of Val Verde; one brother, Everett Shelton of Val Verde; three sisters, Mrs. Henry McCormick of Friendship, Mrs. R. F. Holder of Houston and Mrs. William Bean of Houston.

WE GOT THE DING-DONG. — We got the bell. That was the happy cry of Yoe High School students after the Yomen bounced the Rockdale Tigers for a 13-12 licking Friday night and gained possession of the "Victory Bell". Head Coach Leo Jackson, right and George of the "Victory Bell", Yoe tackler, are shown above as they rang the bell Absnaider, left, Yoe tackler, are shown above as they rang the bell after the happy victory. George is the lad who booted the extra point after Jimmy Rettig's first sensational touchdown run of 40 yards, and later proved to be the difference in the ball game. Jimmy also tallied the final winning TD after a 70 yard scamper. No definite arrangements to present the "Victory Bell" have been made but local school authorities stated that the prized trophy, which will remain on the local campus for one year, will be officially presented in formalities by A. A. Goehler, general manager of the Rockdale, Sandow, and Southern Railroad Company, that dedicated the bell to the Rockdale and Cameron schools. He will be assisted by Rockdale school officials and representatives.

Allotments, Supports and Squeeze On Farmers On Texas FB Convention Agenda

Adopted resolutions dealing with a trip to New York. The convention proper will get under way Tuesday, Nov. 9, with the morning session featuring TFB President J. Walter Hammond's annual address.

Two nationally-known speakers will address the convention that afternoon. They are Senator James Eastland of Mississippi, and Howard Hill, president of the Iowa Farm Bureau Federation.

Banquet speaker Tuesday night will be the well-known Dr. W. H. (Bill) Alexander, pastor of the First Christian Church in Oklahoma City.

Voting on resolutions will take place on the final day, Wednesday. Balloting will begin after the credentials committee reports and delegates are seated.

Two Honors Are Received By Bassell Wilson

Bassell Wilson was the recipient of two distinct honors last week. The first was at hte homecoming game in Belton when the 1924 football team were the honored guests for the evening.

At the banquet for the 1924 team members and their wives, which followed the game, Mr. Wilson was elected vice-president of the ex-students association.

Mrs. Charlene Sewell, wife of Dr. Sewell of Belton, was made President and Mrs. Lee Curtis, wife of Judge Curtis, was elected secretary.

Their high school superintendent, principal and coaches were present at the banquet.

The other honor, came via the mailman. A letter from George H. Sauer, director of Athletics at Baylor University, invited Mr. Wilson to attend the Baylor-Texas game in Waco on November 6 and sit o the side lines. Wilson's son, Frank is a member of the Baylor Bears squad.

The complete program for the day includes a luncheon and "get-acquainted" period at 11:15, the football game with the dads and sponsors being presented to the crowd during the half-time intermission.

Following the game there will be an Open House in the Student Union Building for the entire family to get together with the players, coaches, faculty members and students.

Wilson's daughter, Virginia, is also attending Baylor University this year.

Minor Injuries In Sefcik-Jones Accident Friday

Wilbur M. Jones of Houston and John A. Sefcik of Cameron both suffered lacerations of the face when the Jones automobile struck the rear of the Sefcik pickup Friday afternoon.

Charges were filed against Sefcik for turning off the highway on to the old Waco crossing road and giving no visible signal.

The only other injury sustained was an abrasion on the leg of Mrs. Jones, who accompanied her husband. Their young daughter was uninjured.

Two Accidents Same Causes, Same Charges

No injuries were sustained in either of the two accidents investigated by State Highway patrolmen Friday in Milam and Buckholts.

The first, when Charlie H. Taylor of Buckholts pulled onto Highway 190 from a side street and struck the Studerbaker driven by Frank A. Hagar of Holland, Texas, causing the studebaker to slide into the ditch and turn over on its top.

Charges were filed against Taylor for failure to grant right of way at an intersection.

The second accident, happening at 1:30 Friday near Milam, involved Alvie Blackman of Milam and William B. Mitchell of Houston, Texas.

Mitchell allegedly pulled on highway 79 and into the left rear portion of the Blackman car which was traveling west.

Mrs. Mitchell was brought to Cameron for a medical check-up, with no report available on whether or not she suffered injuries.

Charges were filed against Blackman for not giving right of way at an intersection.

Sharp FFA Well Represented At County Fair

October 29 and 30 the Sharp FFA Chapter was represented by Howard Pierce, John Robert Caffey, Barkley Garner, Charles Schwarz, and Bob Garner at the Rockdale Livestock Show.

Howard Pierce and John Robert Caffey each entered two entries in the fat steer division. Howard won first and fourth places in the Hereford division; John Robert placed third. In the Shorthorn division John Robert placed third; Howard won Grand Champion in the boy's fat steer division.

In the diary division, the Guernsey heifer of Garlon Lawrence won a red ribbon.

In the swine division Barkley Garner, Charles Schwarz, and Bob Garner entered gilts which did not mature because the gilts were not mature.

Bob Garner won first and third places in feeder pig division. Charles Schwarz's Duroc boar won second place in the mae di vision.

In the sow division, Bob Garners Hampshire sow won first place and went on to win Grand Champion female; Charles Schwarz won 3rd place with a Duroc sow.

Sgt. Reynolds Completes Army Auto School

Sergeant Vernon Reynolds of Cameron completed the Ordnance Automotive school's course in Wheel Vehicle Repair October 20 at Atlanta General Depot.

Since 1941 nearly 65,000 men from over the world have received training at the School in eight automotive and allied trade fields. He is the son of A. J. Reynolds of Route 2, Cameron.

Questions, False Reports Loom On Cameron Home - Rule Horizon

Cameron, Oct. 28. — Many questions and an even greater number of false reports have circulated in Cameron since Councilmen voted to call an election to bring the city under Home Rule.

In a series of articles, published from time to time, the Daily Midg-et and the Cameron Herald will try to point out the viewpoints of professors of Government at various universities, of other towns having charters, comments of the local members of the City Council and informational material from the Texas League of Municipalities on Home Rule in a city.

Any question left unanswered in the minds of the people can be sent to the office of The Cameron Herald, which will try to procure an answer.

Lone Star Gas Company Names New HE Supervisor

Miss Ann Virginia Winters has been named home economics supervisor for Lone Star Gas Company's Waco Division of Distribution, according to an announcement.

ANN WINTERS

ment by A. P. Rowland, division superintendent.

Rowland also announced the assignment of two home economists, Mrs. Beverly Jean Chancellor and Mrs. Jeanne D. Hararmeyer, to the Waco Division.

Miss Winters, prior to her appointment to the post of home economics supervisor, held the position of home economist with headquarters in Temple. A native of Pearsall, she is the daughter of Mr. and Mrs. Thomas E. Little of that city. She received her B. S. degree in home economics from Texas Christian University in May, 1950. She is a member of Beta Sigma Phi and the Methodist Church.

Miss Winters, Mrs. Chancellor and Mrs. Hararmeyer will make home calls and conduct cooking demonstrations for club programs and home economics programs in schools. They will give sales floor cooking demonstrations for gas appliance dealers and will conduct Girl Scout and Campfire Girl cooking schools.

They will also call on the purchasers of new gas appliance to explain their operation and give assistance on special features, such as automatic clock controls and other modern innovations.

Louis Groppe Funeral Service Held Friday

Louis Groppe, 92, died Thursday at 3:30 p. m. in a hospital here in Cameron. Mr. Groppe, who had been in declining health for the past several months, was born in Washington County but had been a prominent farmer in the Buckholts community most of his life.

Funeral services were slated for Friday, October 29, at 2:30 p. m. at the Hope Lutheran Church at Buckholts with Reverend John Pietsch officiating.

Survivors include two sons, Richard Groppe of Rogers and Alex Groppe of Cameron; five daughters, Mrs. Dora Haas, Mrs. Paul Sakewitz and Mrs. Alvie Fritz, all of Buckholts, Mrs. Robert Baca of Rogers and Mrs. William A. Sells of Nacona, and 19 grand children. Interment will be in the Buckholts cemetery with Mr. Groppe's grandsons acting as pallbearers.

Mrs. Bill Brown, Mrs. Royland Lawson and Mrs. Charlie Duncan were business visitors in Temple Saturday.

Local Self Government

Local self-government cannot exist on merely a statutory basis, because whatever powers of local character are being exercised exist at the mercy of a higher authority and may be modified or abolished by that authority at any time.

Local Self-government must rest upon its own basis. This means that it must acquire its own constitutional basis. In line with the American doctrine of constitutional government for the nation and the states, a movement for home rule or constitutional government for American cities developed and succeeded.

The Three Type Cities There are three classes of Texas Cities, according to the method of their creation, whether by (a) special charter, (b) general law or (c) the home rule amendment. Cities have to change their status by their own actions, since the amendment merely provides the opportunity or the means for a constitutional basis for home rule.

First Method

The first method for granting corporate powers to individual cities was by special acts. This method was not satisfactory for obvious reasons. It forced each community seeking to become an incorporated town or city to wage a long and expensive campaign with the Legislature for its charter.

Early Legislatures largely composed of the representative of rural communities were suspicious and jealous of incorporated communities and were opposed to their creation. Again this method ended in great diversity in the powers of cities and generally in inadequate powers, thus forcing the cities to be begging the Legislature constantly for more powers. It was a vicious process of lobbying and trading and was finally changed to a more liberal method.

Second Method

Secondly, the granting of corporate powers on certain conditions by general law. This means that one law was passed which stated the method to be used and the conditions to be met by communities. The law enumerated the powers which incorporated towns and cities might exercise. Communities having the required density of population and complying with the election procedure fixed by the law could become incorporated.

While this method was an improvement upon the first, it still left municipalities resting upon the good graces of the Legislature which could change this general law strictly as they do any legislative grant and thus narrowed the powers of the cities which were incorporated according to its provisions. The fight for urban self-government continued.

Third Method

Thirdly, the Home Rule Amendment for constitutional government for Texas cities of more than 5,000 population, November 5, 1912. (Constitution, Art. XI, Sec. 5) This amendment marked a great advance in the extension of the principle of constitutional self-government to almost fifty per cent of our population and, of course, was the foundation of the same movement in principle for home rule for counties which was provided by an amendment to the Constitution in 1933. There are now in Texas as the constitutional means for local self-government, whether urban or rural, free from perennial legislative tinkering.

Mrs. Joe Hibner has undergone surgery at Scott and White Hospital in Temple and is reported to be doing nicely and may return to her home here in Cameron Saturday, October 30.

Capt. Jack Blankenship of Buckholts Pilot of "Flying Boxcars" in Pakistan

Capt. Jack Blankenship, 817th Troop Carrier Squadron pilot, stationed with US AFB in Japan, son of Keith Blankenship, of Buckholts, was pilot of one of four Flying Boxcars participating in mercy trips to recent flood-ravaged Pakistan from a base at Ashiya on an 8,500 mile round trip flight.

In the course of one three day mission the Boxcars flew 220 hours mostly over water.

Capt. Blankenship's aircraft was utilized to fly a helicopter engine to Chittagong, (a sea-port in east Pakistan) where air evacuation operations were coordinated.

Following delivery of the engine, the four C-119's were pressed into service as flying tankcars on a 122 mile shuttle flight between Chittagong and Decca. Normally dry farming land, the entire 122 miles was covered with murky water and dead animals, the 817th flyer reported.

Nine shuttle flights apiece were flown by the planes, carrying a total 1,000 drums of gasoline. The fuel was used for emergency ve-

hicles involved in medical deliveries which otherwise would have been forced to suspend operations. Capt. Blankenship praised the maintenance men of individual squadrons for carrying out the operation successfully. He estimated the entire crew members numbered 32 officers and airmen.

The flight to Chittagong included refueling stops at Okinawa, Clark AFB in the Philippines, Saigon and Bangkok.

4 New Members Added To A&M Mothers' Club

The members of the Milam County A & M Mothers' Club met recently in the new home of Mrs. C. W. Hudson with President, Mrs. Leo Fuchs giving a review of the Executive Committee Meeting she attended recently.

Four new members were received into the club and they are Mrs. J. A. Cryer, Mrs. Frank Schiller, Mrs. W. W. Balhorn and Mrs. Schroeder.

The club agreed to send five dollars to the A & M College to help pay on the "Silver Chaffing Dish Project". They also agreed to assist the Milam County A & M Club members arrange a Christmas party.

Mrs. Schiller was named the

hostess-chairman for Cameron.

During the course of the evening, Mrs. G. W. McLain won the prize after getting the highest score in the game of identifying expressions the boys learn when they arrive at Aggieland. A china dog representing Reville was presented to her.

Mrs. J. A. Cryer invited the club to convene in her home for the January meeting.

The group indulged in a social hour following regular business.

General American Life Insurance Company Praised

According to information just received by J. Haley Beers and A. M. Bradbury, General Agents, of General American Life in Waco, Texas, General American Life Insurance Company was judged as having the best annual report of all life insurance companies in the "Financial World's" survey of annual reports.

The bronze "Oscar of Industry" was presented to Powell B. McHaney, president of the St. Louis Company, at the Annual Awards Banquet in the Grand Ballroom of the Hotel Statler, New York, October 25, 1954.

A total of 5,000 annual reports were considered this year in the

international competition, the fourteenth in the series of surveys. These were judged in 100 industrial classifications for the Best-Of-Industry awards. In the life insurance category, Metropolitan Life Insurance was runner-up for top honors.

The chairman of the jury making the final selections was Dr. Pierre R. Bretey, editor of "The Analysts Journal", and he was assisted by William R. White, president, of the New York Society of Security Analysts, Inc.; M. Dutton Morehouse, president, and Shelby Cullom Davis, executive vice president of the National Federation of Financial Analysts Societies; and Kennard Woodworth, chairman of the Board of Trustees, Massachusetts Hospital Life Insurance Company.

The screening of the 1,723 annual reports that had received merit awards earlier was handled during the past summer by a committee of twenty financial executives from all over the United States and Canada, and at the time Weston Smith, originator and director of the annual report surveys, presented the "Oscar of Industry" trophies.

C. G. Barndt New Lone Star Gas Sales Director

Charles G. Barndt of Sulphur, Oklahoma, has been appointed to the newly created post of director of sales and promotion for the Lone Star Gas Company, according to

an announcement by Chester L. May of Dallas, senior vice-president.

Barndt took over his new assignment October 1 after serving almost six years as superintendent of all Lone Star distribution properties in Oklahoma, May said. He will be succeeded as Oklahoma division superintendent by George F. Peek, manager of Lone Star's Temple district.

"Lone Star Gas Company, although in the midst of its greatest period of expansion, faces the most competitive challenge in its 45-year history," May stated. "We

are now in the process of strengthening, expanding and reorganizing our sales organization to the extent that it will be second to none in the field of utility selling."

May pointed out that Barndt will direct the new and enlarged merchandising program throughout Lone Star's operating territory in Texas, which includes Cameron and 390 other cities and towns. He will have headquarters in Dallas.

Education, Vocation Discussed By Nelson At B&PW Club Meet

Bob Nelson, Milam County Attorney elect, spoke to the Business & Professional Women's Club of Cameron at their regular meeting Monday night, October 18 at the Milam Coffee Shop.

Mr. Nelson spoke on Education and Vocation, after being introduced by Mrs. Lela Pruett, pro-

gram chairman.

A Halloween motif was carried out throughout the party room with the co-hostesses, Mrs. Loraine Arnold, Mrs. Pruett and Mrs. Idella Weems serving apple pie and coffee to those present, which included two new members and three visitors.

K of C 4th Degree Forms Honor Guard At Fort Hood Christ the King Services

The feast day of "Christ the King" was celebrated at all of the Catholic Churches of the world Sunday, Oct. 31, with Fort Hood observing the feast with a Field Day Solemn High Mass.

Forming an honor guard at the services were members of the Fourth Degrees Knights of Columbus from Temple, Taylor and Cameron councils. Attending from the Cameron council were Frank Michalka, Emil Boedeker, Herman Hoelscher and Frank Karnowski, all of Cameron and John Sheguit of Rosebud.

Celebration of the Mass was Chaplain Major Emmett L. Walsh, deacon was Chaplain Major William S. Spaudt and sub-deacon was Chaplain 1st Lt. Robert C. O'Neill. Masters of ceremonies were Chaplain 1st Lt. Harold J. Paul. The sermon, "Christ Our King", was delivered by the Very Rev. John Nicholas, O. M. I.

Following the rites at Fort Hood the Cameron group, accompanied by those from Taylor and Temple councils served as honor guards at the Christ the King procession at 3:30 p. m. at Granger's SS Cyril & Methodius Catholic Church, were Rev. Arthur Michalka, son of Mr. and Mrs. Frank Michalka of Cameron, is assistant pastor.

Mrs. Frank Karnowski accompanied the group to the day's activities.

"Texas Has Enough Water, But Texans Don't"

Landowners in the Cameron area will be interested in a series of articles on water problems of Texas now running in SOIL AND WATER, the non-profit magazine published by the Association of Texas Soil Conservation District Supervisors.

"Texas has enough water, but Texans don't", the article in the November issue points out, explaining that the average run-off of surface water, the water which flows down the streams of the state, is 53 billion acre-feet. Of this amount, less than 5 million acre-feet are used, the rest running into the Gulf of Mexico.

"This isn't to say", the article aren't short on water, because they are, but the state as a whole has farm more water available than is used or is likely to be used in the foreseeable future."

"To say this though still leaves the water problem unanswered," the article adds. "A city running low on water can get no more comfort from the knowledge there's plenty of water in Texas than can a farmer with a dry well and bawling cows."

Detailed figures on the amount of surface water plus the estimates on the amounts of underground water are given, and the problems of distribution and conservation of the supplies are discussed.

The article is the second in a

series being published by the magazine. Next in the series will discuss some of the proposals being made for more equitable distribution of the total water supply.

Homecoming Set November 12; Yoe Plays Belton High

All roads will be leading to Cameron Friday week, November 12, when the doors of Yoe High school will be opened wide to welcome its graduates and former students. It's the annual homecoming to be celebrated by the students of Yoe High School with the Senior Class of '55, Student Council and members of the Home Economics Department acting as hosts and hostesses.

The annual homecoming activities will get underway at 11 a. m. Friday, Nov. 12, when a parade and pep rally will be staged downtown. Each class will enter a float, there will be the cheerleaders, members of the team and the Yoe band to add to the fever of this annual event.

It will be either Joan Petmecky, Elizabeth Newton, Carol Sanders or Peggy Burke, who will reign over the Homecoming activities this year as the "Homecoming Queen" of 1954. Votes for the queen will be compiled from annual sales ticket sales, floats entered and the classes participation in the parade and at the pep rally.

The main event gets underway at 8 p. m. that evening when the Cameron Yoemen meet the Belton Tigers in a hot grid battle. Following the game the Ex's of Yoe High School are invited to the Homecoming Department where coffee will be served and registration will be held.

Plans are now being made to sponsor an open house dance at the Knights of Columbus Hall following the coffee with everyone invited, from the oldest ex-student and their guests to the youngest and all present high school students and guests.

It was also announced that the classes of 1944 and 1938 are planning special reunions. Dana Kestenbaum is in charge of the class meeting of 1938 while William C. Black is in charge of the 1944 class reunion. More information will follow in a later issue.

Assisting the various high school classes with activities are Mrs. C. L. Canady, Mrs. W. T. Whately, Jr., Miss Patsy Skeen and Mrs. Hubert Nance.

Questionnaires For '54 Census in Mail

Questionnaires for the 1954 Census of Agriculture are now in the mail and will be in the hands of local farmers within a few days, it was announced today by Field Supervisor J. T. Baumgardner of Austin, Texas.

The farm census questionnaires are being mailed from a central point with the distribution timed so that the report forms will arrive about a week ahead of the date when enumerators will begin the field canvass. The advance mailing is for the purpose of giving farm operators time to consult their records before filling in the answers and getting them ready for the census enumerators. This procedure is designed to insure greater accuracy of reporting and to save time both for the farmer and the enumerator when the latter calls at the farm.

The 1954 Census of Agriculture questionnaire is designed to provide information on the number and size of farms, acreage and harvest of crops, livestock production and inventories, selected farm facilities and equipment, selected farm expenditures, farm values, and mortgage debt. On the average, each farmer is asked about 100 questions, many of which can be answered by simply checking "yes" or "no".

Fishermen Bring Home 411 Speckled Trout From Rockport

Home Allen and Joney drew of Cameron and Rev. Homer Richey of the First Baptist Church in Fort Worth brought home a real verified fish story from their three day fishing excursion to Rockport this week.

They returned home Wednesday with 411 speckled trout, weighing from one and one-half pounds to two and one-half pounds.

The fishermen stated that the weather was "perfect", since they started fishing right at the outset of the current cold-spell.

All of the fish were divided and put into each families deep-freeze for future reference

Approximately 100 Enjoy Fish Fry At Methodist Church

Approximately 100 from the Methodist Church enjoyed the results of a three day fishing trip by Dr. Mark C. Magers, pastor, E. A. Perrin, Gene Blake, Roy Griffith, and Mayor O. B. Horstmann Wednesday evening with a fish fry in the Church basement.

Most of the 69 pounds of fish caught on the trip were channel cat and crappie, caught in Hot Springs, Arkansas.

Following the fish fry dinner a Bible quiz directed by Jack DuBois was held with the young people asking the questions and the adults striving for the answers.

42 Leisure Club Has Halloween Party Thursday

Dunce caps were presented to each member of the 42 Leisure Club by their hostess Mrs. Leo Laake at the club halloween party Thursday evening, and were worn all through the evening.

High honors went to Mrs. A. Gurecky with Mrs. A. Kunz as second high and Mrs. W. W. Balhorn for 84.

Table cuts were presented to Mrs. Willie Mees, Mrs. L. F. Slama and Mrs. Leo Stecker.

Mrs. Laake, assisted by Mrs. Merle Massaput served orange sherbert and individual chocolate iced cake squares decorated with halloween faces. Plates were lighted with pumpkin candles showing black cat inside.

The next regular meeting of the club will be Tuesday night, November 23, at 7 o'clock in the home of Mrs. August Gurecky.

Mr. and Mrs. Shoaf Have New Born Daughter

Mr. and Mrs. Walter Ray Shoaf of Baytown, Texas have named their new baby daughter, born October 19, Carolyn Sue.

She weighed seven pounds and ten and one-half ounces upon birth. Grandparents are Mr. and Mrs. Walter Malone and Mr. and Mrs. Malcolm Cass, all of Cameron.

ANNOUNCING

Mr. and Mrs. Charlie Lucko of Cameron announce the birth of their second son at Newton Memorial Hospital October 27. The new arrival weighed seven pounds and fifteen ounces. He is welcomed by two older sisters and one brother.

Bulldogs Lose Second District To Rockdale

O. J. Thomas Bulldogs lost their second conference game Wednesday night to the Rockdale Tigers, with the Tigers chasing the Bulldogs all over a gummy Rockdale field.

Final score showed the Tigers 30 and the Bulldogs 7, with the local teams only score made in the third quarter on a pass from Campbell to Hobbs with DeBose running the extra point through the line.

Rockdale made its first TD in the middle of the first quarter by a march down the field and a touchdown from the two-yard line, their second score came at the last of the second quarter on a pass and the third Touchdown was made just a few minutes before the end of the game on another completed pass.

The next Bulldog game is slated to be with Snow in Caldwell with the date pending.

Milano Series Of Robberies Last Night

Either burglars or Halloween pranksters got in their tricks but not their treats last night in Milano. They broke into the Post Office, The High School and tried to enter Battles grocery store.

At the Post Office, postmaster John Yoakum reported that they were unable to open the safe. They cussfully tearing off the screen door but unable to enter the store itself. Another completed trick was their entry into the high school, where W. W. Wilson, superintendent, reported that they had broken the handle and dial off the safe but he had been unable to determine, as yet, whether or not they had been able to open the safe. The Coke and candy machines at the school were not opened.

Sheriff Carl Black is investigating the Burglary and the post office has notified Postal Inspectors who will investigate.

TSCD Board To Select Winning Farmers Nov. 3

The board of Soil Supervisors of the Central Texas Soil Conservation District were reorganized at their meeting in the Temple Work Unit last week.

C. L. Stock was made chairman, Edwin F. Fischer, secretary and treasurer and Hal Hartick is the new vice-chairman.

Following the monthly report by A. L. Thompson \$3,400 was turned in by the custodian and manager.

Details were also planned for a called meeting November 3, at which time the Legislators will tour two farms and then attend a business dinner at the Hawn Hotel. The problems, objectives and progress of the Central Texas District will be the theme of the program.

The tour for selecting the two outstanding conservation farmers for 1954 will be made November 3. Four farms will be toured to select the winners.

Near the conclusion of the meeting the board approved six agreements covering 793 acres.

PGA Announces Lower Credit Rates Effective Now

Although practically everything farmers have to buy remains as high as ever, Robert M. Clark, manager of the Cameron office of the Production Credit Association, says that at least credit will not cost them as much as formerly in announcing a reduction in the interest rate charged members from 6 per cent to 5 per cent effective November 1, 1954.

Clark states that this reduction is made possible by cheaper money in the markets of the country where funds are obtained by production credit associations for making loans to members. Although the association could by law retain the 6 per cent rate under which they have been operating, Mr. Clark says that the directors of the local association want to help out the individual members as far as possible, and accordingly authorized the reduction in the interest rate.

Since interest on production credit loans is figured on the outstanding balance and interest stops on any funds repaid the date the payment is made, Mr. Clark says that this reduction will mean quite a bit to the Milam County members which he serves.

Danger of Carbon Monoxide Increases

The cold winds of winter will whip up a new threat to Texans' safety.

The threat comes from carbon monoxide, which, Dr. Henry A. Balle, State Health Officer, characterizes as being invisible, odorless, and tasteless - but deadly.

As cold weather draws near, the danger of carbon monoxide in the home or garage increases. Many people throughout the state are lighting poorly or faulty ventilated heaters and furnaces in their cars in closed garages. Closed houses keep the cold out and deadly fumes in. A few people live to tell about it because someone found them before it was too late.

The burning of any fuel that contains carbon may produce carbon monoxide. This is true of coal, coke wood, oil, kerosene, gasoline and such gaseous fuels as natural or manufactured gas. Last year 7 Texans died of carbon monoxide poisoning, two of them in automobiles.

All heating equipment should be vented to a flue. Keep all rooms ventilated. Do not turn the heater higher than it was intended to run. Never leave gas heating appliances

Theis Given Verdict In Damage Suit

Judge O. B. Graham entered a judgement in favor of defendant

Oscar E. Theis in the case before the District Court Thursday involving a damage suit filed by Pedro Escobedo.

The suit was a result of an accident occurring on July 6, 1953, when the gravel truck owned by Escobedo and operated by his brother Joe Escobedo was struck by Theis' tractor while traveling on the farm to market road near Thordale.

The driver or the truck claimed that following the accident, when his truck overturned in the ditch, Theis ran up to him and told him that he would pay all the damages since the accident was his fault. The defendant denied that he had made such a claim and that the truck must have been over in the wrong lane to some extent to have hit the boom even if it was lowered, since he allegedly was parked three feet off the highway at the time of the accident.

Several witnesses appearing at the scene of the accident shortly after it occurred, were called.

In his statement, upon persistent questioning by the attorney of the defendant, the plaintiff stated that he used approximately \$46 a week on gas for the truck and paid the driver \$1.00 per hour. Upon further questioning he stated, spur of the moment judgement, that it cost

Miss Nora Price Becomes Bride Of Larry Martin Here Recently

In a double ring ceremony Friday afternoon, October 15, at 2 p.m. Miss Nora Price became the bride of Larry Martin with Reverend A. F. Russell of the First Baptist Church reading the ceremony.

The bride is the daughter of Mr. and Mrs. W. M. Price of Cameron and the groom is the son of Mr. and Mrs. L. E. Martin of Houston. The bride chose a white faille dress trimmed with pearls and rhinestones. Her accessories were

of black velvet with a single orchid as a corsage.

The mother of the bride wore a dark grey dress with black accessories and a pin carnation corsage.

Mrs. Martin, mother of the groom, wore a navy suit with black accessories and a white carnation corsage.

After a short wedding trip to Antonio the couple will make their home in Houston.

Yell Leaders Accomplish Big Task At Yoemen Grid Games Each Friday

"Everybody Yell" - That's the typical last minute warning that comes from the three bright peppy yell leaders, Mary Ann Pilling, Ed-

him approximately 10 cents per mile to operate the truck.

na Vybral, and Patsy Mullinax each Friday night and every Friday morning in the high school pep rally. And, you can rest assured, that if those three young lassies didn't think you yelled loud enough, they'll make you yell the same chant again. Not only do they lead the cheers for the Yoe High Football team, but they also have charge of the students general sportsmanship at the games, and which incidentally, is a point to be praised as the students have a good clean attitude that brings loud applause - from homefolks and out-of-townners, alike. On the extreme right, shown above is Mary Ann, a senior who has been a Yoemen yell leader for the past two years. While Mary Ann is cheer-

ing for her third straight year, the other two Yoe yell leaders are also experienced, as Edna, center, and Patsy, left, are both in their second year. Edna and Patsy are also seniors. This year the girls are wearing bright Maroon sweaters, compliments of the school, and full grey corduroy skirts, lined in maroon. The corsage of mums that they wear each Friday night is presented to them by Glass, The Florist. This year the yell leaders are also equipped with some new megaphones, donated by Markham Cleaners. Don Edmonds painted the yelling trumpet. Miss Ada Margaret Smith is sponsor of the yell leaders. Dressed in their uniforms of Maroon and Grey, the cheerleaders also add an attraction to the ball game and keep the school spirit up, whether the team wins or loses.

Bobby J. Stewart Promoted To Corporal Recently

Bobby J. Stewart husband of Mrs. Lovie Marie Stewart, Cameron, and son of Mr. and Mrs. M. G. Steard, 106 S. 13th St., Glimon, Okla., a member of the 1st Armored Division, was recently promoted from Private First Class to Corporal.

Corporal Stewart entered the Army in February, 1953, and took basic training here.

He is now assigned to Company "D", 81st Reconnaissance Battalion, 1st Armored Division, which is undergoing intensive training on the vast Fort Hood Reservation, its constant state of combat-readiness. "Old Ironsides", the first armored division organized in the United States Army, won fame for its World War II fighting in Africa and Italy.

LETTER TO THE EDITOR

Dear Editor: Thanks for that little item in your Oct. 7 issue about our staff man M. V. Crain. I note at the bottom of the item that it is said the Sheriffs Ass'n Magazine is published annually. On the contrary the Magazine is published monthly. It has been a monthly for so many years I can hardly remember and worked for many large newspapers, including a 16 year stretch with Scripps-Howard, NEA quarterly publication.

I have been with Magazine more than 18 years, and Mrs. Joe L. Ray, secretary-treasurer here, has used to own some small newspaper and United Press.

Thanks.

Cameron Drivers Complimented By State Patrolmen

Cameron football fans attending Friday nights game in Taylor

were highly complimented by members of the Texas Highway Patrol on the orderly way in which they returned home from the game.

One of the patrolmen stated that all of the drivers, with many cars on the road, were extremely com-

teous, stayed in line and held down their speed.

They stated that the main thing they noticed was that all of the drivers they noticed gave dim lights immediately upon request of an oncoming car.

"Not For Sale" Sermon By Reverend John Solomon

A number of years ago it was my privilege to visit a World's Fair in one of our large cities. While there I visited a fine art gallery. There were many famous paintings, and a great many paintings were for sale. After comparing the price tags on a few of the paintings, I began to guess which were the more expensive. I would look at a painting from quite a distance, then get a little closer, and try to guess its price. I confess my artistic genius took quite a beating. Then I saw a beautiful painting of the Christ, and I stood quite some time gazing at this remarkable picture, quite forgetting my little game of guessing the price. However, as I moved closer to the picture I saw a tag at the bottom which read, "Not for sale". It had been a gift to the gallery. There was a little thrill of joy in my heart when I saw that the picture was not for sale.

I began thinking that there are other things in life which are not for sale. I thought surely a person's character is not for sale. Yet I remembered some who had deliberately sold their soul for a "mess of pottage" so to speak. And I shrank somewhat at the seeming truth which someone had uttered, "every man has his price". Then it occurred to me that truth is something else which shouldn't have a price tag on it. But then I remembered some high officials of government who had perjured themselves for the sake of money and position. I thought of other things, too, such as integrity and honor, loyalty and devotion to duty, which should never have price tags on them. But some men have trafficked in any thing that would "turn a fast buck", even to the selling of their soul in a devil's

hell. But there are some things in life which are really not for sale. Men may have these things, but can never buy them or sell them. These things are free, for they come from God. These things may be had for the asking, for we have the sure word of our Saviour, "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened to you." What are some of these things for which we can ask, seek and knock? One of these is the LOVE of God which is not for sale but is precious gift cepted as agift, without money and without price. Indeed, who of us could begin to pay for the love of God as revealed in Jesus Christ? Being rich or poor has nothing to do with receiving the love of God, but rather where there is a humble heart and a contrite spirit, there the love of God abounds.

Another thing which has a "Not for sale" tag on it is the forgiveness of God. There is an instance in the Bible where a man tried to buy forgiveness from God. King Barak offered God burnt offerings but they were not accepted. Then he bade thousands of rams and ten thousand rivers of oil, but all these together could not buy forgiveness, as did the Publican who there are other gifts of God which are not for sale, such as tranquility into the Kingdom of heaven, assurance of fellowship with God, faith in Christ, dependence upon His grace, and others. How glad we are, in this commercial age, that there are some things "not for sale."

E. L. Modesette and his mother, Mrs. J. L. Modesette visited with Mr. and Mrs. Vel Wise in Gause Sunday afternoon.

District 22-AA Showdown Slated At Georgetown

The showdown in District 22-AA is scheduled for Friday night when the District headliner finds the Cameron Yoemen at Georgetown visiting the Eagles. Thus far the Yoemen and the Eagles find themselves, much to the surprise of other district foes, leading the loop as both teams have conquered two district opponents and suffered no defeats.

Up in second place are the Taylor Ducks and Rosebud Black Panthers. Both have won one and lost one, while Belton and Rockdale, pre-season picks for the district crown are last with two defeats.

But, the season isn't over yet, and until the final whistle is blown in the final game, it's anybody's guess as to who will be on top as victors.

The Eagles have shown terrific offensive power by piling up 53 points to opponents 26 in the two district games. Cameron has made 34 to opposition's 26 points. Georgetown has totaled 634 yards rushing in two games while holding their opponent to 394; Cameron has a total of 478, opponents, 299. Both teams are evenly matched on passing, with the Eagles using about as much passing attack as the Yoemen.

Georgetown is also equipped with the District's leading scorer, Wilford Bane who has totaled 23 points thus far. Close behind him though is Cameron's Jimmy Rettig who is the second leading scorer in District with 15 points. Kinbro of Georgetown has two touchdowns to his name. Other Cameron scorers are Leon Beale, and Joseph Michalka, each with a touchdown.

This week Rockdale is playing

Rosebud and Belton against Taylor for the remainder of the District clashes. The Tigers from Belton are invading Tatlor land where Belton is predicted to win its first district game. Rosebud entertains Rockdale with the game predicted a toss-up. Both teams have been hot and cold this season and it depends on the temperature of the gridders.

As for the Cameron-Georgetown

game, it's anybody's guess with both elevens fighting to survive. Mrs. David Ansley and her three year old twin boys, David Wayne and John Lane, of Angleton, visited her mother, Mrs. Bill Caperton here last week.

Mr. and Mrs. Anton Svetlick of Ad Hall and Finis Voyles left Friday for Fort Sill, Okla. to visit MSgt. and Mrs. Ira Chance.

Otto Sommers Semi-conscious After 20 Foot Fall

Otto Sommers, Jr., was seriously injured Monday evening when he fell 20 feet from a rafter in the old Batte gin to the ground, knocking him unconscious.

He and two other boys were chasing pigeons in the old gin located on the railroad tracks, when he slipped and fell.

The boys told City Marshall Joe Richter that he was unconscious after the fall and they went to a near-by service station to get some water to try to revive him. When this failed to bring him to they notified the marshal who immediately called an ambulance which took him to the St. Edwards Hospital.

Nurses at St. Edwards Hospital reported that Otto regained consciousness only momentarily at intervals Tuesday but that he had regained consciousness Wednesday enough to recognize his father and to give affirmative or negative questions asked him by the nurses. hopeful of his condition.

THE CAMERON HERALD

C of C "Watchdogs" Protect Merchants In Cameron From Solicitors

Every year one of the hardest jobs in the Chamber of Commerce is delegated to the Advertising and Soliciting Committee, which reviews all applications of people desiring to solicit or sell in Cameron. This committee, sometimes called the "Watchdog" committee, has requested that every solicitor without a permit from the Chamber of Commerce be refused by the merchants in downtown Cameron so that every soliciting agent and his product may be investigated and considered in order to protect the businessmen of Cameron.

Better Business Bureau's in statewide malpractices of professional promoters in the sale of lottery tickets for chances on new automobiles raffled in the name of charity. The BBB's stand is based on a recent affidavit of a former Texas charity racketeer.

Promoters are usually not bona-fide members of the organizations they claim to represent, yet they and their salespeople are issued letters of authority, membership cards, and other identification.

The advertising and soliciting committee of the local C of C emphasized the fact that a permit issued by the Chamber of Commerce does not constitute an endorsement of the bearer or his products and each person is asked to study the proposition presented to him and use his own judgement in the matter.

They further pointed out that the committee can not prohibit

William T. Byrd, stationed at the AFB in Houston was here over the weekend to visit his mother, Mrs. Louis Weidner and family.

Mary Hensley Is Philomathia Club Pledge At TSCW

Miss Mary Hensley, daughter of Mr. and Mrs. Roy C. Hensley, Rt. 1, Cameron, is a pledge of Philomathia Literary-Social Club at Texas State College for Women.

Pledges names were released Thursday climaxing two weeks of club rush parties on the TSCW campus. Pledge week will continue through Oct. 29. Pledges will become full-fledged members at formal initiations in November.

Literary-social clubs are affiliated with the Texas Federated Women's Clubs and their activities integrated by the Junior Forum on the campus. The Student Council of Social Activities sponsors a pre-rush week open house honoring prospective pledges and governs pledge quotas and pledging rules.

Miss Hensley is a sophomore home economics major and president of the Sophomore Class.

C BTRY — at home station here in Cameron, but also the training received during the annual two weeks at summer camp.

Col. Brame inspected the Guardsmen in ranks during the drill period, frequently asking questions about assignments in the Battery and civilian jobs. Earlier during the afternoon he had examined

Battery C's records and equipment. It is believed he was well pleased by the unit's appearance and training. He will make a written report of his findings at a later date.

A number of Regular Army and National Guard officers from 64th Battalion headquarters in Temple also were present during the drill period.

Private Debose, a member of Company D of the division's 1st Engineer Battalion, was last stationed at Fort Leonard Wood, Mo., where he completed basic training.

YOEMEN — point fell on this side of the double strip, but Rockdale again had the lead 12-7.

The Cameron crew, who were not to be outdone, came back moments later as Jimmy Rettig, Yoe all-district scatback, limped his way seventy yards and the winning touchdown. With sure-fire blocking of the Cameron line, Rettig pulled out front, gave the Yoe fans a thrilling masterpiece of running, and despite his injured leg, outran even the best of Rockdale.

This time Absnaider's extra point kick was no good.

From this point the Tigers converted themselves over to passing but with a minute and half left to go in the ballgame Joe Lee Heitmann intercepted his second Tiger pass for the night and raced back to the Rockdale 36 yard line.

Leon Beale, the Ace Cameron punter, and Buddy Thompson who played one of his most outstanding games, were Michalka's hand-off men and responsible for Cameron's slugging their way back to the goal line. When the final gun sounded the Yoemen were knocking on the Tiger door at about the six yard line.

This is the first time the two teams met in a District game as Rockdale moved up to District 22-AA this season. The 13-12 victory for Cameron is the second district win for the Yoes, while Rockdale has dropped two in a row. Cameron and Georgetown clash at

Georgetown next week. Cameron remains in the running for District and also took home the "Victory Bell" for one year besides being declared the unofficial champs of Milam County. The boys played before a stadium packed full of fans from both towns, with the Cameron folks supporting their team all the way. This was Rockdale's homecoming game and the Yoemen have marked up "Homecoming Number 2" that they have spoiled.

During the half time the 99 piece Yoe High School band gave a performance that was outstanding. The Rockdale band also performed and crowned their band sweet-heart.

What's new with Chevrolet? everything!

Even Air Conditioning, if you wish
Air is heated or cooled by a single unit that fits compactly into the front of the car. Requires no trunk space! (V8 models only.) And that's only one of the wonderful extra-cost options you can get!

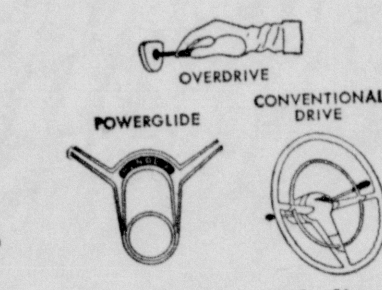

Wonderful new Glide-Ride Front Suspension
New spherical joints flex freely to cushion all road shocks. New exclusive Anti-Dive Braking Control, assures "heads up" stops.

Great new V8—two new 6's
New "Turbo-Fire V8" delivers 162 h.p. with an ultra-high compression ratio of 8 to 1. You can choose from two new 6's, too—the new "Blue-Flame 136" with Powerglide (optional at extra cost) and the new "Blue-Flame 123."

Easier steering, stopping, clutching
The new Chevrolet steers with ball-bearing ease, thanks to new friction-cutting Ball-Race Steering. New Swing-Type Pedals pivot at the top.

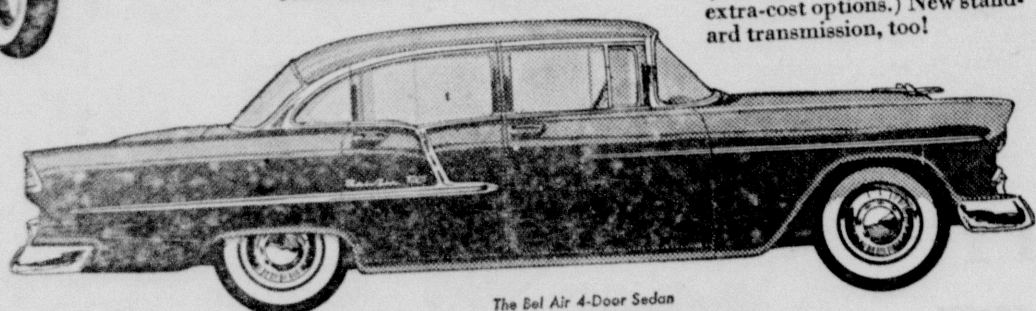

A ventilating system that really works
Chevrolet's new High-Level Ventilating System takes in cleaner air at hood-high level—away from road heat, fumes and dust.

Three drives, including Overdrive
There's Powerglide teamed with the new V8 or the new "Blue-Flame 136." New Overdrive teamed with the new V8 or the new "Blue-Flame 123." (Powerglide and Overdrive are extra-cost options.) New standard transmission, too!

Tubeless tires as standard equipment
On all models! Proved tubeless tires give you greater protection against a blowout . . . deflate more slowly when punctured.

. . . and Chevrolet's got that long, low "let's go" look
It's a show car from the word go! Longer looking—and lots lower. There's plenty of glamor inside, too—plus more room for hats, hips and shoulders!

Chevrolet and General Motors have started something—a whole new age of low-cost motoring—by taking a whole new look at the low-cost car. Here are new ideas, young ideas . . . and some of tomorrow's ideas, too! And they're all rolled up in the most glamorous package that ever wore anything like a Chevrolet price tag!

This is the car that began with a great idea—the idea that a low-priced car could be built that would have the style, the performance, the comfort and convenience features, and the fine quality "feel" of high-priced cars.

This is the car that only the world's leading car builders—Chevrolet and General Motors—could have built. The Motoramic Chevrolet! Come in and see how the Motoramic Chevrolet for '55 is far more than a new model. It's more, even, than a completely new car. It's a whole new idea about cars!
